

LED-LEUCHTEN-SYSTEM 280 * LED LIGHTING SYSTEM 280

Die LED-Leuchten sind anschlussfertig und wasserdicht vergossen und verfügen über ein Anschlusskabel von 500 mm Länge. Die Leuchten sind für den Einbau vorgesehen, sind aber wegen ihrer geringen Einbautiefe (22 mm) auch für den Aufbau geeignet.
 These LED Lights are ready for plug-in, they are sealed in a waterproof manner and are equipped with a connecting cable of 500 mm. These Lights are used for flush fitting, but because of their small installation depth (22 mm) they can be used for surface mounting as well.
